Media Release

Home Invasion (23-21834)

On 5/24/23 at approximately 6:00pm officers were called to the 1800 block of Arbordale Street for a report of a home invasion. The preliminary investigation revealed a male suspect forcefully entered the residence through a window in the kitchen while the 77-year-old resident was home.

The male resident reported while he was in his bedroom, he heard what sounded like someone trying to open his screen door. The resident then observed the suspect in his kitchen. The male resident produced a gun and fired one round at the suspect. The suspect was not struck by the gunfire and jumped out the kitchen window and fled the area on foot. The resident reported not knowing the suspect and described him as a white male, approximately 5'10", late 20s, thin build, and wearing a gray sweatshirt. No one was hurt in the incident, and nothing was taken from the house. Officers were unable to locate the suspect and the incident remains an active and open investigation.

If anyone saw anything suspicious in the area or has a doorbell camera that may have captured the suspect during this time, please contact AAPD at 734.794.6920 or email the tip line at tips@a2gov.org.
